

MESSAGE NEXT STEPS

VOICES

VOICES 2021

JULY 11 - AUG 1

You matter. Your story matters. Others' stories matter.

God works in the hearts and lives of people. As you hear from a well-known tech executive and some of our young leaders during the Voices series, you will be inspired towards a deeper faith, a greater love, and more hope.

Work through the following questions and scriptures on your own, and get together with your running partner, life group, or friends and family to talk through what you are learning.

DISCUSSION QUESTIONS

1. What stood out/intrigued you from the messages?
2. Can you relate to what you heard in the message? Has this same idea/challenge come up in your life before, or is it new?
3. How does what you heard affect your life right now (maybe it speaks to something you are going through, struggling with, looking into, etc.)?
4. What challenged you?
5. What is your next step to apply what you heard?
6. Is there someone you feel prompted to share with about what you've learned from the message?
